*Creating Your Abundance by
Eliminating Your
Administrivia*

WHAT IS A VIRTUAL ASSISTANT?

- A highly skilled professional who takes care of your administrivia
- Someone who helps you serve your clients from behind the scenes.
- A partner to you, the business owner, supporting mutually beneficial goals
- One that gets work done using the latest technology

Administrivia - the tiresome but essential details that must be taken care of and tasks that must be performed in running an organization.

WHO NEEDS A VIRTUAL ASSISTANT?

Entrepreneurs and small business owners who

- Do not need full time administrative assistance
- Do not have the office space or equipment for an assistant
- Prefer not to constantly re-train temporary assistants

BENEFITS OF HIRING A VA:

- You pay only for actual working time
- You do not need to pay withholding employer taxes or benefits
- You do not need to provide equipment or workspace
